

CHELMSFORD AMATEUR RADIO SOCIETY
NEWSLETTER NO. 151

AUGUST, 1978

Next Meeting

The August meeting was to have been a talk from G3BNL, but, unfortunately he is unable to attend because of domestic difficulties. At such short notice it has proved difficult to arrange a replacement and Les has volunteered to run a general discussion meeting which will probably end up with a good natter.

Please come along and support the club, we don't have many opportunities for extended ragchew sessions. The meeting will take place on Tuesday, 1st August at Marconi College, Arbour Lane, Chelmsford commencing at 7:30pm.

Committee Meeting

Wednesday, 9th August, 7:30pm, Wheatsheaf.

Silent Key

It is with regret that we have to report that Bill Ingle, G3O1Z passed away on 25th June, 1978.

Bill had a heart attack and was taken to hospital but had been discharged to recuperate and then suffered another attack.

Bill was retired from the RAF as a Wing Commander and from Silver City Airways, where he was a pilot and training Captain.

As well as being a skilled linguist in French, German and Russian he also had a passion for computers and had just completed a micro-processor with TV display.

He was active on all bands. He leaves a widow, son and daughter.

John G8DET, attended the funeral and represented the Club.

The Club is indebted to Bernard G8GLP of Maldon for bringing the details to the attention of G8DET who informed the Committee.

Woburn Trip - 6th August

The support for the trip has not been as great as hoped and if several more people are not found the trip may have to be cancelled. Please let John or Les know as soon as possible. Johns phone number is Danbury 4677 and Les is on Chelmsford 66993.

Assuming that the coach runs it will pick up at the County Hotel at 8:10am and will only wait five minutes. The main pick-up point is Writtle Green close to the duckpond and the coach will arrive there at 8:30am.

New Member

The Club extends a warm welcome to Don Roberts G3FKH, who lives in Ingatestone.

DF

Last months D.F. event was a bit of a disaster - by coincidence all the regular contestants were unable to take part and poor old Tony was left to operate his transmitter all afternoon not knowing that no one was looking for him. Arthur did turn up at the start but seeing nobody else and hearing no transmission went home.

Cont'd/.....

It is hoped to arrange a contest on August 13th, details will be circulated to the usual competitors.
